

ESS Inverter Limited Product Warranty

The ESS Inverter Limited Product Warranty (the **"Limited Warranty"**) in this document issued by the Ginlong Energy Storage Co., Ltd. (**"Ginlong Storage"**) covers the products listed in Appendix A attached hereto (the **"Products"**), when a claim for service under this Limited Warranty (a **"Claim"**) is made by a Claimant (as defined in Section B, below), provided all of the applicable terms and conditions herein have been satisfied.

A. The Limited Warranty

Ginlong Storage warrants that the Products will be free from defects and workmanship within the Limited Warranty Period set forth in Section C, below. This Limited Warranty is subject to the terms and conditions in this document. This Limited Warranty may extend a Customer's statutory rights and cannot be construed so as to diminish such statutory rights.

The Limited Warranty under this document is available on and from February 9, 2026 (**"Warranty Validation Date"**). Unless otherwise agreed in writing, the Limited Warranty under this document is not applicable to any Products produced prior to the Warranty Validation Date. The date of production of each product could be determined by its serial numbers. For the avoidance of doubt, the original terms and conditions supplied with that Product will continue to apply for any Product produced prior to the Warranty Validation Date.

B. Limited Warranty Eligibility

Who may submit a Claim?

A **"Customer"** is anyone who purchased the Products:

1. directly from Ginlong Storage, or
2. from an authorised reseller who acquired the Products from Ginlong legitimately and made no modifications to the Products.

A **"Warranty Holder"** may be:

1. a Customer; or
2. a transferee who receives a Product from a Customer and who has followed the proper process set forth in Section F, below, to transfer the Limited Warranty.

A **"Claimant"** may be:

1. a Warranty Holder; or
2. a third party designated by the Warranty Holder for the purpose of submitting a Claim on the Warranty Holder's behalf.

Only a Claimant may submit a Claim.

When must a Claim be submitted?

Any Claim must be received by Ginlong Storage within the Limited Warranty Period set forth in Appendix A.

C. Limited Warranty Period, Extended Limited Warranty Period and Products Covered

The Limited Warranty Period commences on the date the Product is sold to the Customer, if the Customer is an individual person. Otherwise, the Limited Warranty Period commences at the earlier of:

1. the date the Products are commissioned at installation; or
2. six (6) months after the Products are dispatched from the Ginlong Storage factory.

(as applicable, the **Limited Warranty Commencement**).

The Limited Warranty Period is the timeframe from Limited Warranty Commencement until the expiration of the applicable Limited Warranty Period set forth in Appendix A. See the Appendix A attached hereto for details.

The Limited Warranty Period may be extended in accordance with Ginlong Storage's policy, or a written agreement between Ginlong Storage and the Warranty Holder. If the Claimant applies for extended Limited Warranty Period, such application shall be received by Ginlong Storage within the twelve(12) months of the Limited Warranty

Commencement, and the application shall be submitted only once. Before the extension is approved by Ginlong Storage, the Products need to be delivered to the place designated by Ginlong Storage. The service scope of extended Limited Warranty is limited to the replacement or repair of the Products' hardware. For other conditions and details of extended Limited Warranty, please refer to Ginlong Storage's policy or the written agreement between Ginlong Storage and the Warranty Holder.

The Limited Warranty Period for any Products that has been replaced or repaired under this Limited Warranty shall be the greater of:

1. the remaining Warranty Period of the defective Product; or
2. three (3) months from repair/replacement.

D. Limited Warranty Claim Procedure

To make a Claim, the Claimant shall promptly notify Ginlong Storage upon detection that the Products are non-conforming or defective. To determine if the Product is covered by this Limited Warranty, the Claimant shall notify Ginlong Storage's service department in writing of the issue. Such notice shall include:

1. Detailed information about the defect;
2. Completed Warranty Claim Form, which can be obtained from a Ginlong Storage Service Agent via the Ginlong Storage website¹;
3. Product Model (i.e. S6-EH1P8K-L-PLUS) and Product Serial Number (i.e.3031260259150265);
4. Copy of the Product invoice; and
5. Copy of the installation report/certificate.

After receiving notice from the Claimant, Ginlong Storage will determine whether or not the reported defect is eligible for coverage under the Limited Warranty. If Ginlong Storage determines, in its sole discretion, that the reported defect is not eligible, Ginlong Storage will notify the Claimant accordingly and will explain the reason why such coverage is not available. See Warranty Exclusions in Section E, below, for details.

Note that the Product label must be completely undamaged and legible and properly attached to the Product. If the aforementioned requirements are not fully met, Ginlong Storage has no obligations under this Limited Warranty.

If all of the requirements herein are met and the Product is eligible for coverage under the Limited Warranty, Ginlong Storage shall, in its sole discretion:

1. Provide replacement Product(s); or
2. Instruct an accredited service provider to visit the Warranty Holder's location to repair the defects or provide replacement Product(s); or
3. Direct the Warranty Holder to return the Product(s) to Ginlong Storage for repair or replacement.

Ginlong Storage will provide instructions for proper return or disposal of the defective Product. Any replacement provided by Ginlong Storage may be, at Ginlong Storage's sole discretion, new or factory refurbished. Any replacement provided by Ginlong Storage will be at least functionally equivalent in feature, function, and compatibility to the Product. A replacement may have cosmetic defects that have no influence on energy production or safety compliance.

Ginlong Storage may repair or replace faulty parts at its discretion. If the Products or any parts are replaced by Ginlong Storage under this Limited Warranty, all of the rights, title and interests in the returned Products/parts shall vest in Ginlong Storage upon replacement.

The Warranty Holder must return the Products/parts in the original packaging or equivalent. "Equivalent" means sturdy, equivalent packaging sufficient to protect the Products/parts from damage during normal transportation. If the replaced Products/parts are not received by Ginlong Storage within thirty (30) days from the date the Warranty Holder receives the replacement, the Warranty Holder will be charged for the Products/parts at the current price for new Products/parts.

Ginlong Storage may, in its sole discretion, elect to ship replacement Products/parts either prior to or after receipt of the Product, or after prepayment of the value of the replacement Product and delivery costs.

No claim for compensation may be made for any loss of profit or use (including energy that has not been fed into the grid, energy that has not been used for self-consumption, etc.). In no event, whether in contract, tort, or otherwise, shall the maximum compensation for the Warranty Holder's losses caused by a Product exceed the amount paid by the Customer for the purchase of the Products.

Ginlong Storage will notify the Claimant of any costs to be borne by the Warranty Holder prior to repair/replacement of the Product(s). Such the costs must be paid in advance.
